<u>Temporary (***)</u>															
Daily	72.00														
Hourly	9.00														

Notes: (*) - Rank I is defined as one who has acquired paraprofessional certification and successfully achieved a performance level.
 (**) - Rank II is defined same as Rank I, except the individual has successfully completed 90 quarter hours or 60 semester hours at a post-secondary level.
 (***) - Temporary is defined as the compensation basis for one until the requirements for paraprofessional certification are met. Period not exceed one year.

Any paraprofessional employed in the capacity of educational sign language interpreter and has achieved certification through the Georgia Registry of Interpreters for the Deaf or it's equivalent shall receive an additional annual supplement of \$10,000.00.

Any paraprofessional employed in the capacity of educational sign language interpreter who has not achieved certification through the Georgia Registry of Interpreters for the Deaf or it's equivalent, but has completed one year of satisfactory experience as a sign language interpreter shall receive an additional annual supplement up to \$6,100.00 based upon the recommendation of the Special Education Director.

Any paraprofessional assigned the unsupervised duty of In School Suspension at the high or middle school level shall receive an additional annual supplement of \$2,000.00.

Any paraprofessional with a valid Georgia Teaching Certificate shall receive an additional annual supplement of \$1,200.00.

Pre Kindergarten paraprofessionals are excluded from this scale. Salaries for these positions are based on annual funding levels from Bright from the Start, plus a local supplement of \$775.00
