

Dear RCS Families and Community Members,

As part of our District Improvement Plan, Rantoul City Schools is working to strengthen the programs and services we provide to students at every grade level. One of our priorities is ensuring that our curricular and extracurricular opportunities reflect the needs of our students, families, staff, and community.

On behalf of the Board of Education, you are invited to join us for a Community Engagement Session to help shape the future of RCS.

- Location: JW Eater Junior High School–Library
- Date: Monday, March 30, 2026
- Time: 6:00 p.m.

Your voice matters. This is an opportunity to share ideas and perspectives that will directly inform district decision-making and future resource allocation. During this session, participants will take part in guided small-group discussions to share what programs and opportunities we should keep, improve, stop, or start.

The program will be offered in both English and Spanish to ensure accessibility for all members of our community, and light refreshments will be provided. Childcare will be available for children ages 3 to 10 with pre-registration only.

To help us prepare materials, seating, and refreshments, we kindly request that participants pre-register. Pre-registration is required by Monday, March 23 if you plan to use childcare.

RCS belongs to this community, and the strength of our schools depends on the voices and partnerships of those we serve. I encourage you to attend and help us build the next chapter together.

Sincerely,
Scott Woods, Superintendent
