The membership of Ohio DECA consists of high school students enrolled in Marketing Education. Through this student leadership organization students strive to gain competence in such areas as professional awareness, career and technology understanding, civic consciousness, and leadership development. Competency is gained in such areas as economics, work ethics, pricing, distribution, human relations, and business foundations. The students then transfer the marketing knowledge gained to their training stations.

*We are asking for your support in helping these students attend the International DECA Conference. We are currently trying to raise \$1,400 to offset some of the cost to the students. The students are working extremely hard to earn money for the trip. Any support would be appreciated. Contributions may be sent to BG DECA, 530 W. Poe Rd., Bowling Green, Ohio 43402. The students are designing t-shirts to be worn at the conference and in the community. Sponsor names will be printed on the back of the shirt. **TO BE A SPONSOR, PLEASE RETURN THE BOTTOM PORTION WITH YOUR DONATION—ANY AMOUNT IS APPRECIATED!***

Thank you in advance for your support. Marketing Education and DECA are a prime example of the community, business, and education working hand-in-hand. If you have any questions, feel free to call Cara Maxey, Instructor at (419) 308-3847.
