

# CARROLL SCHOOL

February 1, 2026

Dear Carroll School Families:

I am writing to provide you with information about the 2026-27 academic year, including tuition and our School's collective commitments.

The Board of Trustees of the Carroll School has set tuition for the 2026-27 school year at \$68,740. The Board continues to support Carroll's commitment to financial assistance, employee compensation, and providing a transformational educational experience for our families.

We continue to hold Carroll's collective commitments around what it means to provide extraordinary, individualized education to students with language-based learning differences. We remain committed to empowering our students to become strong self-advocates, confident lifelong learners, and critical thinkers. We do this in a school community that honors diverse strengths, identities, and lived experiences.

Families will use the Ravenna online tool to complete/sign the enrollment contract and will pay the tuition deposit in Blackbaud Tuition Management. Please complete both steps by the due date noted in the enrollment contract to secure your child's spot for fall 2026.
