

Saint Joseph the Worker Total Experience Learning® Institute After-School Research Program

Program Details

Who? Students in grades 5–8 at St. Joseph the Worker School or any other Diocese of Allentown School.

When?

Wednesdays from 3:00-5:00pm, February 25th–April 29th

What's included?

- Hands-on experiments & innovation.
- Support from expert mentors.
- A fun, creative space to bring your ideas to life.
- 10 sessions

Cost? \$350 per student

Where? Right here at St. Joseph the Worker!

Are you ready to turn your passions
into projects?

What You'll Do:

- **Explore Your Interests:** Dive into topics like science, engineering, art, music, and more.
- **Create Your Own Research Project:** With mentor guidance, design and carry out a project based on your passions.
- **Prepare for Science Fairs:** Build projects that can be entered into local, regional, and national fairs.

Ready to Join?

This program is designed for curious minds who want to create, discover, and showcase their ideas in a fun and inclusive environment. Scan the QR code below or contact sjohnson@stjw.org or tanner.schnove@alvernia.edu
