The Frank Makarevich Memorial Scholarship was founded in 2022 by several Mercer High School Football Alumnus to acknowledge and support a football player(s) who represents the many values that Coach led by and instilled in us as players and athletes. "Coach Mac" was an accomplished athlete in his own right, but what made Coach special were the values that he taught to his athletes and his students about life. He was an educator for 36 years, something that he loved and believed in passionately. Football was also a key part of Coach's life and his families. His daughters served as water girls for the Mustangs when they were younger, and Mrs. Makarevich continues to be a fixture in the stands supporting the team to this day.

It is with great pride that we honor Coach Mac and his family by making this scholarship available. Please take the time to complete the application and turn it in to the Guidance Office by April 15. Applications will be reviewed by a small committee of former players, coaches and the Makarevich family. The scholarship requirements are more than GPA and accolades on the field, it is weighted heavily on attributes such as Faith, Dedication, and Hard Work. Coach believed in "whatever it takes" regardless of the outcome and do it the right way. Thank you for taking the time to complete this and good luck.
