- Campus has reported to PEIMS in the Discipline Action Extension Complex (category code 44425) that the location of the incident occurred on campus or off campus at a school sponsored activity; and
- The campus has fewer than 200 students and has reported to PEIMS in the Discipline Action Extension Complex (category code 44425) two (2) or more selected mandatory expulsion incidents in each of the three (3) most recent consecutive years for which data are available; or
- The campus has 201 or more students and has a number of mandatory expellable incidents per year equal to 1% or more of its enrollment in each of the three (3) most recent consecutive years for which data is available.
