Conquering Diabetes

Please join us for a Diabetes health class to help you manage your Diabetes and learn the tools to improve your blood sugar results.

The group will be focused on learning how to count calories, carbohydrates, and sugars and provide you with the knowledge on how your diet changes can help improve your diabetes.

The group will meet once a month with additional opportunities to work with the nurse 1-on-1 in person.

We will focus on the different topics on diabetes such as:

- Defining what is diabetes and how it affects your body.
- How your diet affects the severity of diabetes.
- How to read nutritional labels.
- Exercise recommendations for controlling diabetes.
- Treatments for diabetes and how they work.
- Healthy food recipes for those with diabetes
- Tools and methods to count your daily calories/carbohydrates.

Participation is Free!
