

Credit Acceleration Summer School

Online Credit Acceleration - Summer school exists to help students accelerate their learning outside of the traditional school year. This is available to our students through online courses. A FNSBSD teacher will be available to support, assist, grade and provide feedback for students who are taking acceleration classes. eLearning courses are rigorous online courses that require dedication and determination to be successful. These semester long (18 week) courses must be completed in the 4 weeks allocated for summer school. Select courses will be offered through Edmentum or Google Classroom and are taught by a certified district teacher. The list of courses is available here [Summer School Course Options](#).

Logistics:

- Students are able to take one course.
- \$100 (non refundable) per course cost for enrollment
- Class dates are June 1 - June 25. **Registration deadline is May 27 at 4:30 pm.**
- Orientation is recommended before beginning classes. It will be held online. Once enrolled, students will be sent an email to your FNSBSD student account with orientation information. Scheduled dates for orientation are as follows:

May 29: 11 am [Google Meet](#)

May 29: 2 pm [Google Meet](#)
