**JIS Aquatics
Fundamental Swim Program (Grade 2- 5)
JIS Pondok Indah Elementary (PIE)
August 3 - 7, 2026**

Ready to level up your swim skills? The **JIS Aquatics Fundamental Swim Program** is perfect for swimmers who can confidently swim 100 meters without stopping (including 25m freestyle, 25m backstroke, and deep water swimming).

This program focuses on stroke development and refinement, building endurance, and learning powerful starts, turns, and dives, all while keeping training fun and challenging. Sessions are tailored to each swimmer's individual needs, ensuring everyone receives the support needed to swim stronger and faster. Whether swimmers are building confidence in the water or refining their technique, this program provides a great opportunity to further develop their skills and improve overall performance.

This program is open to swimmers currently in the JIS Aquatics Fundamentals group, or those who meet the entry-level requirements outlined above, and offers the benefit of a low student-to-instructor ratio for more individualized feedback and support.
