

Charlotte - Mecklenburg Schools - Average Daily Membership School Year 2025-2026

Districts are required to report Average Daily Membership (ADM) to the North Carolina Department of Public Instruction on a monthly basis. ADM is an average of membership across the reporting period and is the key metric for state funding allocations. ADM is based on the total number of days that students were in membership and then divided by the number of school days in the reporting month. Days when students are absent still count as days in membership, unless the student was out on an extended unexcused absence. If a student has at least 10 consecutive days of unexcused absences (i.e., they are in violation of the state's Ten Day Rule), then the days from that long absence spell do not get counted as membership days. Note that students in Pre-K and students with visitor status (like foreign exchange students) are not included in membership.
