

Signing Into Your SWWC Account on Your District Device

1) Open Google

2) Click the upper right hand corner of your tab that shows your Google Account

3) Select “Add Chrome Profile”

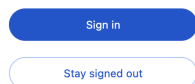

4) Next, log into your @[salinehornets.org](mailto:@salinehornets.org) email account

Set up your new Chrome profile

Sign in to get your passwords and more on all your devices

5) Here you can access your Google Classroom, SWWC email account, and all materials you utilize in your SWWC class. This profile will now exist on your laptop so you can access your SWWC content anywhere. All you need to do is switch profiles as shown earlier.
