What is the Fun Run?

The Lower School Fun Run teaches students the value of giving and teamwork while raising essential funds. As a charter school, Pine Lake does not receive the same funding as traditional public schools, making this support vital to our community.

How Do Students Participate?

Students register at mybooster.com, gather sponsors, and walk or run laps on March 24th to support Pine Lake. Donations may be a flat amount or per lap. Per-lap donations default to 35 laps after the event; choose a flat donation for a specific amount.
