Dear Families,

We are beginning our Prekindergarten registration for the 2026-2027 school year.
This program is open to both resident and non-resident students who will be four years of age by December 1, 2026.

Those wishing to register their child for Prekindergarten should contact the Central Registrar, Rachel Anderson. Her information is listed below.

Applications will not be considered "submitted" until all paperwork is completed in its entirety and all required documentation has been attached.

All fully completed student registrations are due by April 30, 2026.
If the district receives more applications than we have spots available, a lottery will be held.
The details and time/location of the lottery will be made available to the families who applied.
If all spots are not filled by April 30, 2026, remaining spots will be filled on a first come, first serve basis for those who submit a complete application.
The Prekindergarten program will be a full-day program that will run from 7:50 am to 2:28 pm.
Placement is not guaranteed.

Placement spots in the program are available to resident students before non-resident students.
Busing is available to all resident students. Busing is not available to non-resident students.
