

## **INSTRUCTION**

### **6:130 Program for the Gifted**

The Superintendent or designee shall implement an education program for gifted and talented learners, as well as those students who demonstrate high ability and who may benefit from accelerated placement. This program will be responsive to student needs and will challenge and motivate academically advanced learners and engage them in appropriately differentiated learning experiences to develop their unique abilities. This program will be responsive to student needs and within the budget parameters as set by the Board. This program shall include an identification system which identifies advanced learners and is based upon multiple techniques.

Eligibility to participate in the advanced program shall not be conditioned upon race, religion, sex, disability, or any factor other than the student's identification as gifted or talented.

The Board will monitor this program's performance by meeting periodically with the Superintendent or designee to determine and/or review the indicators and data that evidence whether the educational program for advanced learners is accomplishing its goals and objectives and is otherwise in compliance with this policy.
