The purpose of LILA's Culture Fair is to honor and recognize cultural and linguistic diversity. Everyone has culture, whether it is connected to your ancestry, your interests, your community, or even your school!

Now in its 4th year, this free, event brings IB learning to life through music, art, games, and hands-on cultural experiences. Your donation directly supports performances, cultural booths, crafts, and materials—helping ensure this joyful, inclusive celebration continues to grow while remaining free and accessible to all. Please consider making a gift to support the 2026 LILA Culture Fair.
