Virtual College Fair - Sunday, March 15 from 1-6 pm

This virtual fair provides students with the wonderful chance to connect with hundreds of colleges and universities, all from the comfort of their home. Plus, it is completely free!

During registration, students can select the college features that are most important to them. They will then receive an email that matches them to specific colleges and universities that best match their criteria and that will be available at the fair. College MatchMaking® is an incredible opportunity for students to identify their top choices.
