### Extracurricular Activity Tax Credit Contributor:

Thank you for your tax credit contribution to the J.O. Combs Unified School District #44. Your support directly benefits our students participating in extracurricular activities, and we truly appreciate your investment in their success.

In accordance with Extracurricular Activity (ECA) Tax Credit statute 43.1089, the Arizona Department of Revenue requires taxpayers to report the school's County Code, Type Code, and District Code & Site Number (CTDS) on their Arizona income tax return. The CTDS codes for our various locations are noted to the left of each school name for your reporting purposes.

- If your contribution was made for a student or event at a specific school, please use that school's specific CTDS code listed below.
- If your contribution was made to the District for the area of greatest need, please use the general District code.
