Bear Family,

As we move into the second half of March, I want to share a few important reminders with our families. For the Class of 2027, the NJGPA-Adaptive assessment begins on Monday, March 16, and a prior letter with additional information is [hyperlinked here](#). Please also note that school will be in session on Monday, March 30, and Tuesday, March 31.

As the weather begins to improve, we know many students enjoy riding their bikes, including E-Bikes, to and from school. We ask all families to please speak with their children, including those driving vehicles to school, about the importance of being extra careful and alert on campus and in the neighborhoods surrounding our buildings. New Jersey has also posted new [e-bike requirements that take effect in July 2026](#), so we encourage families to review that information in advance and remain mindful of the expectations and safety considerations associated with their use.

Have a great day and as always... (dramatic pause) Go Bears!

Battle of the Classes has been cancelled due to lack of ticket sales. Students who purchased a ticket can return it to the main office for a refund.

Reminders:

- **School Opening Time:** The school opens for students at **7:30 AM** each day. Blocks 1+5 start at 8:00am.
- **Entrance Procedures:** We have multiple points of entry to help ease congestion. Each entrance is staffed by one of our School Security Officers (SSOs). **Students must show their school ID at the entrance every day.** This helps us maintain a secure environment for all.
- **Drop off is in the front of the building.** When entering the school, **please pull as far up as possible.** We have entrances near the auditorium, main entrance, and gym. Please do not stop at the gym entrance if there is space available in front of you.
- Please note that **staff and/or student parking lots should not be used for student drop-offs or pick-ups.**

Safety Reminders:

- **Crosswalks:** If driving, please be on the lookout for students and staff near the established crosswalks around the campus, especially in the drop-off lane. All vehicles should stop if there is someone waiting to cross.
 - **Speed Limit:** The speed limit on campus is **15 mph**.
 - We understand that mornings are very busy and sometimes hectic. Thank you for your attention to these procedures and for your ongoing support of our staff and students.
