Minutes approved.

New Business

Meeting Notes:

Program Audits are our center/focus for today's meeting.

Lunch Bunch, MLL program and iTime.

We will also have an update on Student Tech and School Safety.

Lunch Bunch: Main focus is make-up work, catch up time, 'working' lunch, quiet working space, and is available to all students, during both A and B lunches.

Andrea Solum, 6th gr ELA presented info on Lunch Bunch. Other 6th grade teachers participating are Stephanie Cohn and Rebeca Gonzalez. In addition to 'working lunch' time, other spaces available for quiet lunch time, movie time, board games, music. Unless it is a working lunch Lunch Bunch, computers are not allowed without the permission of the teacher.

15-20 student average; 2 of the classrooms are computer-free

7/8th grade teachers: Lisa Klarich-Davis, Summer Marshall, Bryan Bielicki

EHMS-School Community Council

Ecker Hill Middle School Conference Room

Minutes in Blue Italics

These teachers provide: quiet space, reading, MakerSpace and extra time for work.

Multi-Language Learner push-in program: Irlanda Lamoureux

This class is intended for: Language Development, Content Link, Push-in services and Targeted Interventions for our MLL students.

Presentation linked [here](#).

iTime Intervention:: Lisa Klarich-Davis, MTSS Coordinator/Interventionist

All students are sorted by their level of need for the 6-week intervention time; WIN, Skills to Shine, High Altitude Thinkers

Presentation linked [here](#).

Student Tech - update

Securely - teacher monitoring platform

Continuing to improve ways for students who are getting around the filter

An emphasis is being pushed out about gaming before school

YouTube issues are still being discussed; MyVRSpot

PCSD as a whole is determining where YouTube fits into curriculum

School Safety - update

All external windows have safety film on them

Interior windows have the safety film, with the exception of the main office

Blinds in all classrooms

Classroom safety audit within the past two weeks

'I Love You Guys' foundation; info in all classrooms and office areas; also provided at registration for parents and linked on the EHMS website

An office is being created for our SRO, space inside the Ecker office

Motion to adjourn the meeting: 2:41pm
