

ST-06-F2 Behavior Contract— form

Behavior Contract

Contract must be signed each academic year by student and parent/guardian.

D'Evelyn Jr./Sr. High School standards for behavior are designed to influence students for life, not simply to curb undesirable behavior while attending school. The standards in this contract will apply to the entire school community. Staff members, parents, and students are to be positive examples while on campus or at any school sponsored event.

Honesty, compassion, self-control, responsibility, and courtesy are character traits that are valued and expected. These character traits demonstrate respect for authority, self, others, and others' ideas. This includes respectfully confronting someone with whom we have a problem, with the goal of finding a solution. Maintaining these traits creates the atmosphere necessary to support academic excellence.

Student infractions will be dealt with promptly so that disruptions are minimized and expectations clearly upheld. Teachers are responsible for monitoring and keeping classroom order. The administration will deal with all instances of unacceptable behavior in accordance with school policy, district policy, and applicable laws.

The following list includes examples of unacceptable behavior. The list is illustrative and should not be considered exhaustive.

- Defiance or insubordination, failure to comply with a reasonable request by any adult
- Causing classroom or school activity disruption
- Not being in compliance with our policy on Personal Electronic Devices (ST-06-R4)
- Leaving campus during the school day without permission from parent/guardian and the school administration
- Possession of illegal drugs, alcohol, tobacco/nicotine, marijuana, or sexually explicit materials on campus or at school-related events

- Profanity
- Inappropriate or immodest dress refer to policy ST-06-R2

We have reviewed and committed to following the intent of the D'Evelyn Behavior Contract and the Jefferson County Public Schools Conduct Code.

Signing this contract indicates that each student and parent understands and will comply with D'Evelyn's requirements.
