

ST-06-F1 Academic Contract– form

Academic Contract

Contract must be signed each academic year by student and parent/guardian.

D'Evelyn Junior/Senior High School is an academically focused school, based on the belief that "...all students, not just an elite group, should be held to rigorous academic and behavioral standards." - D'Evelyn Philosophy Statement.

D'Evelyn students must fulfill important academic requirements and take responsibility for their own learning.

1. D'Evelyn Junior/Senior High School students are required to be full-time students enrolled in six courses each semester. Students are expected to complete all homework assignments and turn them in on time. They must set aside and expect to spend on average 2 hours each night doing homework and studying what is being presented in class. Academics are to come before all jobs, socializing, sports, or other extra-curricular activities.
2. Students are expected to:
 - Arrive at class with all necessary materials: textbooks, notebooks, paper, pens/pencils, and completed homework.
 - Be in the classroom ready to learn when the bell rings. If a student accumulates 3 unexcused tardies, this will result in a lunch detention.
 - Be active participants in the learning process by listening carefully, taking thorough notes, contributing positively to class discussions, and being respectful of the ideas of others.
 - Make productive use of 7th hour.
 - Be responsible for their own school work, plagiarism or copying another's work is unacceptable. The use of AI to generate work as a replacement for work students are supposed to authentically create will be considered plagiarism.
3. Students are expected to carry and make effective use of a planner in which they will record assignments, due dates for assignments, and other important information.

4. When absent, students are expected to ascertain what was covered in class during their absences. Students are expected to complete missing assignments within the two school days allowed for each day of an excused absence.
5. Expected student performance and the nature and number of assignments are demanding at D'Evelyn. Students must complete academic requirements and take responsibility for their own learning.
6. The student is ultimately responsible for knowing the high school graduation requirements and for fulfilling those requirements. Courses and requirements are fully described in the school's Course Planning Guide.

Signing this contract indicates that each student and parent understands and will comply with D'Evelyn's requirements.

Student Name _____ Grade _____
