On March 9, 2026, at approximately 11:38 AM, the Village of Hastings-on-Hudson Police Department received a report from an employee of Hastings High School that several street signs in the vicinity of the school had been defaced with stickers containing biased content.

An investigation was conducted, and the individual responsible for placing the stickers on the street signs was identified. Following consultation with the District Attorney's Office and a thorough review of the circumstances, it was determined that the facts of the case did not meet the legal threshold necessary to pursue criminal charges. No further information is available.

Sincerely,

Chief David A. Dosin
