2026-2027 School Year

FREQUENTLY ASKED QUESTIONS

What is full-day kindergarten?

Students attending full-day kindergarten will follow a schedule equivalent to the other grades in the school. They will receive comprehensive instruction in all content areas, including the arts, PE, and library.

What is half-day kindergarten?

Students attending either a half-day kindergarten class or a half-day kindergarten option within a full-day kindergarten class will attend school for part of the day as determined by individual schools and will receive instruction on the minimum standards of half-day kindergarten as determined by the State Board of Education. Please note that midday transportation will not be provided for those attending half-day kindergarten options. Please note that half-day options and classes will vary by school depending on the number of students requesting half-day.

What immunizations are required for kindergarten?

The following are required by Utah law for a child entering school:

- 5 DTaP/DTP/DT
- 4 Polio (IPV)
