I. Welcome/Call to Order

- SAC meeting called to order by Mr. Gonzalez at 5:03

II. Principal's Report

- We started the distribution of laptops for the students (103) in total.
- The student needs to take and bring back the devices every day.
- Before state testing begins, we will collect the laptops so the students can use them for testing.
- We don't have enough hardcases for the laptops, so unfortunately, some will break.
- We are going to try to fix the laptops under warranty but after the warranty, the parents will need to pay for it.
- We have some teachers that are being placed by the district, and we also have now an interim sub for Mr. Unger.
- There is still a hiring freeze in the district and some middle schools that have low enrollment will now become a 6-12 schools.
- We have 1289 students, at Nova, and we continue to lose enrollment. We started at 1400. We are 21 students above projected enrollment, so we are good.
- The moment we fall below our projected number, we might have to close programs and let go of teachers.
- District needs us to use the accountability funds before the district takes it for something else.
- We need computers for the front staff and the principals (desktops).
- Mini desktops for the camera room and front office $440.18 each (times 3)
- Desktops for the office staff including Principal $660.11 (times 4)

- Extra Math periods and ESE (504) periods that were taken away from the district $2,100 + $3,000 = $5,100
- Purchase Promethean boards including rolling stands $2,593 (times 3).
- Grand total of $18,160
- Accountability balance of $19,347 minus $18,160 will leave the accountability balance at $1,187.
- The extra math pay will be going to the teacher who took over for Ms. Polikoff and to Ms. Renton-Murray who is the ESE coordinator.
- We can only use vendors approved by the district.
- We are also working very hard to work to keep and maintain our A+ status for the state FAST/BEST Testing.
- Writing will begin in April and then the entire month of May we will be testing Reading, Math, Science, & High School courses.
- We are reminding the students and parents regarding fighting in school and the consequences of fighting.
