

New Elementary School on Greendale Road

➤ **Completed Work:**

- The site was muddy from the previous winter weather and that day's rain.
- Laying of CMU masonry continues at the Cafeteria and the Second Floor.
- MEP installation continues in the classroom and throughout the corridors.
- The retention pond appears to be operating properly.
- Installation of metal stud framing continues at the tops of the EX-type wall.

➤ **Upcoming Work / Look Ahead:**

- Continue setting and filling the ICF forms.
- Continue placing concrete floor slabs.
- Continue laying of masonry in the kitchen area and the second floor.
