Dear TCA Family and Friends,

TCA's Board of Directors would like to share some highlights from March 9, 2026, board meeting:

Celebrate TCA
To begin the evening, we celebrated Junior High's recent "Who's Got Your Back" campaign, which encourages students to identify positive friends and trusted adults who support them each day. Students partner with a friend or group of friends, bring their best smiles, and pose for pictures that will be displayed throughout the Junior High hallways. The four students (pictured to the right) shared their posters and spoke how relationships make Junior High such a welcoming community.

Curriculum Update
Blake Galvin, Dean of Secondary Educational Philosophy, described how his team has completed the secondary science curriculum review. Based on their appraisal, the team is recommending several texts, and we invite you to review them. Textbooks for Environmental Science, Anatomy & Physiology, AP Biology, AP Chemistry, and AP Physics, will be available in the High School front office from March 10–April 3. Textbooks for Earth Science/Astronomy, Biology, Chemistry, and Physics will be available in the North High School office from March 10–March 20, and at College Pathways from March 30–April 3. We look forward to your input.

Capital Construction
Directors Moffat and Hawkins provided an update on the construction progress at East Campus. If you have driven along New Life Drive recently, you have likely noticed the new gym and classroom building rising quickly as construction continues. Over spring break, crews will connect the new build to the existing structure by installing plumbing and electrical systems. Thanks to the warmer weather, the project remains on schedule and is tracking very favorably within budget.

Board Election
TCA's Board election is now open, and voting will be available through March 18th. The candidates in this year's election are Mr. Bob Haller, Mrs. Erin Hannan, and Mr. Tony Warnock. You may watch each board introduction presentation (recorded during the February 9th Board meeting), and read their candidate statements on our election webpage. If you didn't receive your election email on March 10th, please contact support@directvote.net. Be sure to check your junk and spam folders just in case.

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com.

Thank you,

Laura Moffat
Board Secretary
