EdReady is a personalized, free, and self-paced learning system that is used to assess students' English and Math readiness for Pikes Peak State College placement. You can complete EdReady online from the comfort of your own home.

To take advantage of this opportunity, you will need to:

1. Visit pikespeak.edready.org and create an account and use a personal or school email address.
2. Enter the goal key for the course(s) you are practicing:

MAT 1240	PPSC_1240	Use this code for Math, QAS
