**Reason #2**

**Small School,  
Strong  
Relationships**

# ...from Elementary through 8<sup>th</sup> Grade

We are invested in  
the success of your  
child.

Students grow a  
stronger  
connection to the  
school.

We provide an  
extended support  
system for students  
and families.

Parent conferences  
are held as a team.

The seeds of success are planted in Middle School...a smaller school allows teachers to get to know and watch your children grow.
