WHAT'S ROTARY?

Rotary International (RI) was founded in Chicago in 1905 by Paul Harris. As the world's first volunteer service organization, Rotary quickly expanded around the globe. Clubs meet weekly to discuss local and global topics. Rotary members are business and professional leaders who volunteer in their communities and promote world understanding and peace. Rotary's 31,000 clubs in more than 65 countries and regions encourage high ethical standards and carry out humanitarian projects to address such issues as poverty, health, hunger, education, and the environment.

For Rotary, as it has been for years, the Four-Way Test is the cornerstone of all action – it is one of the hallmarks of Rotary. It was developed in 1932 by Herbert J. Taylor, a newly appointed president of a Chicago cookware company, and adopted eleven years later by RI.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Taylor developed the Four-Way Test to provide his employees with an “ethical yardstick” to use as they went about their work activities. RI members are committed to high ethical standards, and these four questions are a simple checklist for ethical behavior.

Write a one-page essay describing how you would apply the Four-Way Test in your future. For more information about Rotary go to www.rotary.org and www.cdarotary.org

Coeur d'Alene Sunrise Rotary is a group of service-minded leaders in our local community that gathers every Tuesday. The Moto of Rotary that we embrace is “Service above Self.”
