

PTA: Looking Ahead to 26/27

Elections are in March, and the PTA is gearing up to fill leadership and volunteer roles for the 2026–27 school year! This is a great opportunity to get involved, meet new people, and make a meaningful impact on our school community. Whether you're interested in serving on the executive board, joining a committee, or helping out as a volunteer, there's a role for everyone.

We're currently looking to fill the following positions for next year:

- Dolphin Dash Co-Lead
- Yearbook Co-Lead
- Merrily We Walk to School Lead
- Movie Night Lead
- Bike Bus Co-Lead
- See's Candy Fundraising Lead
- Spiritwear Sales Committee (2–3 openings)

Curious to learn more or thinking about jumping in? Reach out to any of the familiar names and faces you see here—we'd love to chat, answer your questions, and help you find the right fit!

PRESIDENT | BETH BOWERS

What I enjoy most about the PTA is seeing firsthand how our time and donations directly support students and teachers, and having a voice in the decisions that make that impact possible.

I'm a CPA and owner of a financial services firm serving primarily Family Office clients. With two kids active in all of the sports, I'm usually on the go. In my spare time, I coach soccer and play in an adult indoor league.

SECRETARY | KATIE TABOR

Favorite thing about the position: Being PTA Secretary is fun because I get to hear firsthand news and upcoming events at the school. It's an easy way to get involved and stay connected.

About Me: Aside from PTA Secretary, I'm a wife, mom, and full-time healthcare worker who somehow also finds time to be a Girl Scouts troop leader and softball coach. Life is busy and I wouldn't have it any other way.

VP OF COMMUNITY RELATIONS LINDSEY ROARK YEE

I've been involved with the PTA for the past 2 years in two roles: 1) as the VP of Community Relations and 2) the co-lead of the Dolphin Dash fundraiser. My favorite thing about the roles is knowing that contributing a little bit of my time helps to raise the dollars that fund some of my kids favorite activities like Mileage Club, Accelerated Reader, and Dolphin Art. I love collaborating and the roles I chose allowed me to enjoy my time and get to know other parents in the process.

Outside of the PTA I've spent my career in non-profits, primarily in youth development. I coach my children's baseball and basketball teams and play co-rec softball myself. I love making art, backpacking, reading, and brain science!

FINANCIAL SECRETARY JACOB GLEATON

My favorite thing about my PTA position is getting to see all the great support our community provides to our students.

I am employed as a claims manager for a large personal insurance company. My team handles auto claims across Northern California and Nevada. In my free time I enjoy traveling with my daughter, Aubrey, and wife of 20 years, Jessica. We recently adopted two kittens, Cosmo and Coco.

HISTORIAN | ANNA STOICA-ZHANG

My favorite thing about PTA is getting to see firsthand how the parent community comes together to enrich our school and make a difference for our kids and teachers.

A little about me: I do product management for work and in my free time, I enjoy art, learning new things, and attending my kids & family activities.

TREASURER | MICHELLE FAMESTAD

Being part of Sundahl PTA is really rewarding. I love seeing how generous our families are with their time and resources, and as treasurer, it feels great to help put those funds to good use in classrooms, field trips, and special events. Supporting our incredible staff ultimately means better experiences for our kids.

I have two kids at Sundahl, and since they have busy lives, so do I! After running a successful print business for the past 20 years, I recently sold it and am taking some time to focus on my kids. For fun, I like to ride horses, attend concerts, and ski with my family.

AUDITOR | ANDREI STOICA-ZHANG

I enjoy being involved in school, being close to the kids, and seeing how my involvement positively impacts the students, teachers, and school overall. Other than that, I'm a math guy so the auditor position makes sense.

I'm a data scientist with experience in consulting and the auto/home insurance industry. I enjoy playing sports with my kids and pick-up soccer with friends. We moved to Folsom back in 2022 to be close to family and couldn't be happier having met such great and welcoming people.

2026-27 PTA BOARD
