Change in Fund Balance - Multi-year Projections

Based on information known on January 31, 2026, the ending fund balance for unrestricted general fund is projected to be \$35,358,269 on June 30, 2026.

We have experienced a significant and ongoing reduction in our attendance over the past several years. The projected ending fund balance decreased from prior year by \$10,455,187 due to expenditures of one-time money and the need to contract out for some mandated Special Education services that we were unable to fill in-house. We will closely monitor deficit spending and make necessary adjustments when possible.

Simply looking at the ending fund balance could lead to false conclusions regarding the budget. Despite the decrease noted above, our ending fund balance remains inflated due to three primary factors: 1) The state continues to provide districts with spikes in one-time funding rather than invest all funding in an ongoing manner; 2) The ending fund balance does not include important designations in expenditures such as replacing existing computers on a structured timeline; and 3) reserve for economic uncertainties are not included due to the SACS structure. While the District still has one-time money this level will be eroded over time due to deficit spending, declining enrollment and increases in expenditures.

For the multi-year projections, we are following the County Office of Education's recommendations. Under these recommendations, the district has used the "official" COLAs and GAP funding percentages provided by the Department of Finance and the official FCMAT/BASC Local Control Funding Formula calculator. We have followed the guidance in the Common Message for this Interim report and will make any necessary adjustment in future reports.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
