

# Raisbeck Aviation High School Dress Standard

**Dress Standard Exceptions:** RAHS staff and teachers may specify additional dress requirements, prohibitions, or permissions as necessary for safety or special events such as VIP visits, presentations, spirit weeks, etc. Students are expected to comply with all staff and teacher requests and directions concerning the dress standard. Exceptions may also be made for special occasions such as spirit weeks or other school-sanctioned events.

## Collared Shirts

Collared shirt, dress shirts, polo shirt, sweater, or other professional-looking top. No graphics or screen printing. Logos should be smaller than 2"

## Shirts, Sweatshirts, Hoodies

Represent RAHS, an aspect of the aviation/aerospace industry, or other postsecondary endeavors (College, University, Trade Schools, Military Programs, etc.)

## RAHS or Home Campus

School spirit wear, including ASB, RAHS swag, and your home-school club or team clothing is always permitted.

## Pants

Slacks, khakis, cargo pants, or jeans in solid colors (no large print, text, or logos, etc.).

Leggings are permitted only if under another clothing item.

## Items Not Allowed

- No athletic, track, joggers, sweatpants, mini skirts, or pajama bottoms.
- No crop top, halter tops, tank tops, camisoles.
- No hats, hoods, bandanas, or any headwear that covers a student's face inside the building, unless required for religious or health-related reasons.
- No vulgar, profane, or references to drugs, alcohol, tobacco, or gang affiliation.

## Clarifying Details

- **All student dress should cover above the shoulder and extend to the knee area.**
- **Plain hoodies (pullover or zip up) as a jacket are acceptable WITH a collared shirt underneath.** (The building does get cold at times)
- RAHS students with clothing-related religious practices may modify the dress standard as needed.
- This dress standard is gender-neutral. Students may wear any part of the permissible school dress standard they feel comfortable wearing.
- Clothing must be appropriate for safe, active work in the classroom, science labs, Makerspace, at the Museum of Flight, and other venues as needed.
- Clothing must be in good repair: clean, with no holes, rips, tears, cutoffs, fraying, or inappropriately revealing. The dress standard should cover all undergarments.
- Dress standard expectations and exceptions are subject to administrator discretion.
