on, where the wolves will go...

Hi!
I'm [Name]

Add picture of you now!

For me...middle school was:
Describe what challenges you faced, what you found helpful, what you needed more of, what you learned, what inspired you about yourself, etc.

My plans for the future:
[INSERT PLANS]

Things I have enjoyed about High School & what I have been provided in:
What advice have you gained? Did you do a pathway? Internship? Job? Sport? Theater? Underlearning? Leadership?

ME IN MIDDLE SCHOOL

Encouragement:
Middle school can be tough, but it is only a moment. Let yourself realize whatever you know that things will be okay!

River Trail Middle School is putting together a special display highlighting positive stories from former students—that's you! They want to share real perspectives about transitioning from middle school to high school, along with any advice you'd offer to rising 8th and 9th graders. This is a quick, easy, and meaningful way to give back to your former community. [The RTMS Counselors made this video to say hi and explain the activity for you!](#)

What to Do

-Use the template linked here: [Template](#)

-Write briefly about:

- Your transition from middle school to high school
- What you're involved in now
- Any advice you'd offer younger students

-Email your completed version to either:

Ms. Claire Dillard (formerly Ms. Graff): dillardc3@fultonschools.org

Ms. Torria Fisher: FisherT@fultonschools.org

If you don't have a middle school photo—and that's stopping you—don't worry! They can pull your RTMS yearbook picture for you, just ask!

Why Participate?

- It's a meaningful way to encourage younger students who are exactly where you once were.
- Your story will be displayed on their counseling bulletin board and viewed by students and staff.
- It's also a great chance to reflect on how far you've come!
- **Please email Mrs. Dillard or Ms. Fisher know if you need help!**
