PTO MESSAGE

March is the month of lucky charms. We count our blessings that we can provide so many FUN things for your child(ren) to do while learning at Busansky! We are lucky & grateful for the parents who step up & volunteer their time & resources to help make events such a success! We couldn't do it with you!

As we start to prepare for the upcoming school year, consider running for a PTO Board position!! Nomination forms will be out next month!

FEATURED EVENT

Snack Attack
Students get a fun chance to purchase some of their favorite snacks during this popular event – it's always a huge hit with the kids!

Donations are always appreciated & help make this event even more successful.

Look for dojo posts with a link for our Amazon Wishlist if you wish to contribute to our snack supply & student smiles.

Let's make Snack Attack the tastiest event of the month!

DID YOU KNOW?

The PTO can not function without the help of parental volunteers. The PTO Board will need some new members for the 2026-27 School year as many are 5th grade parents. Consider joining the team!
