Dear Parent/Guardian(s),

My name is **Ms. Gerreanda Dunn**, and I am excited to introduce myself as the new **Parent Facilitator** here at **Lucy C. Laney High School**. I am truly looking forward to getting to know our families and walking alongside you as we support our students together. This will be a growing journey for all of us, and I am grateful to be a part of it.

In this role, my focus is to:

- Strengthen parent engagement and involvement
- Connect families with academic, mental-health, and community resources
- Support communication between parents, teachers, and staff
- Help create a welcoming and encouraging school environment for all Wildcats

Throughout the school year, I will be hosting **monthly parent events**, academic support nights, community outreach activities, and resource opportunities designed to uplift and empower our families. My goal is for every parent to feel informed, supported, and connected to everything happening here at Laney.

I look forward to meeting you, hearing your ideas, and working together to help our students grow and succeed. Please feel free to reach out to me at any time—I am here to support you.

Warmly,

Gerreanda M. Dunn
