

Health Science Scholarship Information- Attention Seniors

Write a well-structured essay that highlights your passion for the healthcare field and your aspirations for the future. Your response should address the following points:

1. Your Interest in Healthcare

- a. What specific healthcare field are you interested in, and why?
- b. What inspired you to pursue this field?

2. Your Skills and Qualities

- a. What personal qualities or strengths make you a good fit for this career?
- b. How do these traits align with the demands of the field?

3. Your Academic Background at ATC

- a. List the relevant courses you have taken at ATC.
- b. How have these classes helped you develop the skills needed for your chosen field?

4. Future Goals

- a. What are your plans after college?
- b. Do you intend to stay local, or do you plan to move elsewhere?

5. Involvement in Activities

- a. List any clubs, organizations, or extracurricular activities you have participated in.
- b. How have these experiences contributed to your personal and professional growth?

Be sure to write in a clear, engaging, and personal tone. Share specific experiences or examples that demonstrate your commitment to healthcare and your readiness to succeed in this field.
