December 10, 2025

Members: K. Belculfine, M. Calianese, ~~K. Carinei~~, D. Denner, K Finter, J. Fronczak, C. Goodell, J.E. Hill, K. Holmes, P. Indorato, D. Knapp, ~~M. Lawrence~~, L. Parent, M. Prociuous, N. Sedlock, C. Smith

Topics/ Subject	Minutes
I. Warm Welcome a.) Check In b.) <u>October 2025 Minutes</u>	Minutes approved.
II. Engaging Learning Activities/Council Business Course Proposal: <u>Python</u> ; <u>Presentation</u> w/ C. Goodell, C. Wuest Early College COSER update	Mr. Wuest (HS Computer Science/Mathematics teacher) presented a proposal for an Introduction to Python course at the HS. It would extend the pathway for Computer Science at the high school to a 4-year course progression, and it provides another alternative for students who may not be interested in the AP Computer Science course. Q: Potential for articulation agreements with FLCC or other? Q: Potential for pre-req updates? Department footprint (with w/Mathematics or stand-alone?) Enthusiastic support and approval from the Council. Proposal will move to the BOE in January 2026.
III. Optimistic Closure: Round Table	

Next Meeting: 1/28/26
