February 10, 2026

Members: K. Allen, M. Calianese, L. Davis, E. Cole, K. Finter, K. Heath, K. Kavanaugh, B. Laber, K. McCarthy, ~~D. McManis~~, D. Pierson, K. Ryan,

Topics/ Subject	Resources	Minutes
I. Warm Welcome a) Check-in b) January 2026 Minutes		The January meeting was cancelled.
II. Engaging Learning Activities/Council Business Review UPK Survey Data Review the 2025 Graduate Luncheon Focus Group Data *(Tabled until March)*	UPK Survey Report	**Take-Aways** Full day seems to be the most viable option for parents, but still quite hard to manage with schedules and care. They also want the system to be more equitable in terms of transportation and entrance. I love the idea of a prep kindergarten for people not wishing to send students to kindergarten, yet. I know the regulations say you can only do one year of prek so maybe this could be a paid option but still affordable for the community as another option. **Council Feedback:** ● Surprised at the difference between the CBOs and the VCS classrooms. ○ Oversight of programs? Assessment of program? ● Professional development for CBO staff? ● Alignment across the programs? ● Equity considerations regarding families without another option (who needs full day most?)

		● Transitional K ● Student Special Education Services ○ Needs ○ Service Providers ○ Early Intervention ●
III. Optimistic Closure: Round Table **Next Meeting:**		**Possible Meeting Topics:**
