Superintendent Report
March 17, 2026

- **Thank you** to everyone that worked so hard to prepare for our **District Meeting**. We are very grateful for the community support as evidenced in the comments and vote. Following the meeting, we met as an administrative team to discuss and plan next steps, including a final update of our draft Strategic Plan, brainstorm Open Enrollment criteria, and consider prioritized items to discuss in the event we have unspent funds available in the Spring.
- We want to recognize and commend **Mary Jane Ryan** for serving as our School District Clerk for over a decade. This is her last year in that role. We will miss her expertise and attention to detail!
- Our last day of school (with no additional snow days) is scheduled for Tuesday, June 9th. WLC graduation is tentatively scheduled for Friday, May 29th. We would like to finalize that graduation date and **respectfully ask the School Board to vote and approve May 29, 2026 as the day of graduation. Also, we ask the Board to vote on the last day of school as a half day.** Thank you –
- We are confirming **teacher nominations** and will have that full list prepared and presented to the School Board at our April 7th scheduled non-public meeting.
- Last, we are building the FY 27 **school calendar** and will have that draft available to the School Board on April 7th for feedback and/or approval.
- Below are the March grant updates:
