Friendly reminder -- URGENT

Hello Safety Committee Members,

I hope your week is going well. This is a gentle reminder to review the email above from August 1st to conduct and complete your assigned tasks for the Safety audit due this week, (**Thursday, August 21st, 2025**). Most of you have your printed section(s) or you can choose to print one out or directly work from the excel sheet. Please contact Mr. Aguilar if you have problems opening the excel sheet but it works best if you download THE DOCUMENT then open the file. It is critical for you to complete your section due to a schedule constraints. You are free to choose any day, you only have today, tomorrow, and Thursday to get your team together. I know

most of you have started because you communicated to me a scheduled day you were meeting with your team or you were spearheading the effort.

Good Afternoon,

I hope you are doing well. EFWMA will receive funding for a Phone Free School Zone. A questionnaire will go out next week to request parents' input. Currently, I am researching phone

cases. It will be best to have a case in the front office and another in the principal's office. Please click the link to review the case and give your feedback.
