Hasty Elementary School Council Meeting Agenda

February 10, 2026

I. Welcome and Introductions and School Council Purpose

Amanda Roberts - community member	Rose Zelaya - parent
Delia Evora - parent	Christie Davis - teacher
Andrew Williams - parent	Jessica Rosenfeld - teacher
Denise Williams - parent	Janet Marotte- Admin
Kelli Nastasi- Admin	Maria Rosario-Regan- Admin

1. Welcome and Introductions

- Welcome council members and thank them for their continued partnership and support of Hasty Elementary.
- Brief introductions of council members and guests in attendance.
- Review the purpose of School Council and its role in supporting student success and school improvement.

2. Review of Mission and Vision

- Share Hasty Elementary's mission to provide students with a quality education in a caring and safe environment.
- Highlight the vision of supporting the whole child through academics, arts, civic engagement, and personal growth.
- Emphasize the school theme of "Defying Gravity" as a commitment to helping students rise to their fullest potential.

3. Student Achievement Data Overview

- Review STAR Early Literacy results showing most students performing above benchmark, with smaller groups needing intervention support.
- Share STAR Reading growth data indicating many students demonstrating expected or high growth.
- Discuss areas where targeted support is needed to move students from developing to proficient levels.

4. PLC Assessment Data (Reading and Math)

- Share progress from teacher-created common assessments through Professional Learning Communities (PLCs).
- Highlight growth from mid-unit to post-unit assessments across grade levels.
- Discuss how PLC collaboration allows teachers to analyze data, adjust instruction, and provide targeted support for students.

5. Math Achievement and iReady Progress

- Review iReady Math data showing the percentage of students above the 25th percentile increasing in several grade levels.
- Discuss grade levels demonstrating strong growth and those where additional instructional supports are being implemented.
- Highlight how iReady lessons and monitoring help support math progress.

6. Science Performance Trends

- Review 5th grade science performance data over multiple years.
- Highlight strengths in areas such as classification and changes in matter.
- Discuss opportunities to strengthen instruction in earth processes and other science standards.

7. Georgia Milestones Overview

- Review overall trends in English Language Arts, Mathematics, and Science performance.

- Discuss subgroup progress and areas where improvement efforts are focused.
- Share how instructional strategies and interventions are aligned to support improvement.

8. School Improvement Action Plan

- Share Hasty's core beliefs: Belong, Empower, Connect, and Achieve.
- Explain how PLCs, data monitoring, and targeted interventions support student success.
- Highlight the importance of collaborative teacher teams and progress monitoring.

9. Student Engagement and School Culture

- Share examples of school-wide engagement opportunities including clubs, academic teams, and enrichment activities.
- Highlight programs such as creative writing, Girls in STEM, makers clubs, and student leadership opportunities.
- Emphasize the importance of providing students with opportunities to connect, explore interests, and build leadership skills.

10. Questions and Council Feedback

- Invite council members to ask questions about the data or initiatives shared.
- Gather feedback and ideas from council members to support school improvement efforts.
- Discuss how the council can continue supporting the success of Hasty scholars.

11. Closing and Appreciation

- Thank council members for their partnership and dedication to Hasty Elementary.
- Reinforce the message that the school community is stronger together as we support student success.
