## Challenge Charter School Week of: March 23rd

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

**Here's what we'll be learning next week...**

### Math: Patterns, Elapsed Time and Story Problems

Tell and Write Time: Accurate to the nearest minute.

Measure Time Intervals: Calculate elapsed time in minutes.

Word Problems: Solve addition and subtraction problems involving time intervals.

Tools: Utilize number line diagrams to solve elapsed time problems.

### Social Studies: Ancient Rome

Most of our week will be spent reviewing our Ancient Rome unit and practicing our Pompeii Readers Theater.

Be on the lookout for some fun events coming up to celebrate all we learned about Ancient Rome!

Looking for something to do over Spring Break?

Check this out!

### ELA

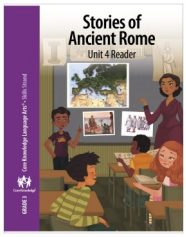

Reading:

Roman Gods and Goddesses

Grammar: Punctuation in dialogue

Writing: Organization in multi-paragraph essays.

Spelling: Cle syllables (consonant followed by and l and e)

### Sayings & Phrases

*When in Rome*

*All roads lead to Rome*

*Rome wasn't built in a day*

### Core Virtue

Mercy is showing compassion to the enemy, the

| Monday 3/23 | Tuesday 3/24 | Wednesday 325 | Thursday 3/26 |
|---|---|---|---|
| Reading | Grammar | Math | ELA |

| | | | |
|---|---|---|---|
| Test: 04/02 | able | cable | cycle |
| kettle | marble | muscle | puzzle |
| single | stumble | uncle | poodle |
| gentle | circle | little | apple |

Thank you for all your support, donations , and volunteering! We couldn't do it without you!

With the change of weather, often comes colds and flus. We are getting quite low on Clorox wipes. If you are able please consider donating a container. While we love the baby wipes, these do not have the antibacterial component needed
