SPARTAN DAY OF SERVICE - MAY 6TH

On May 6, our community will come together for Spartan Day of Service, putting our mission of Forming Men for Others into action through faith, compassion, and solidarity. Sophomores will partner with Special Olympics, supporting an organization that promotes inclusion and celebrates the dignity of every athlete. Freshmen will serve with Feed the Hunger, packing meals for those in need around the world. Juniors will assist with the logistics and execution of both events.
