

Important School Calendar Update for Spring Recess and Makeup Day

March 13, 2026

Dear POB School Community,

The Board of Education recently reviewed the school calendar following the emergency closures on February 23 and 24 and the waiver granted by the NYS Education Department for February 23. After careful consideration, the Board has decided to preserve the scheduled Spring Recess from April 2 through April 10.

To make up the instructional time lost due to the January 26 closure, schools will be open on May 27, which will serve as Emergency Make-Up Day #1.

If additional emergency closures occur this year, POB Schools will shift to virtual learning on those days.

Sincerely,
Dr. Mary O'Meara
Superintendent of Schools
