

Scheduling: Rising 12th Graders

What classes do you need to schedule for next year?

Class of 2027

Objectives

Our goals with this presentation are:

- 1) Understand your credit status: Are you on track for graduation?
- 2) Identify what classes are a “must” for next year.
- 3) Introduce new classes/changes in classes available next year.

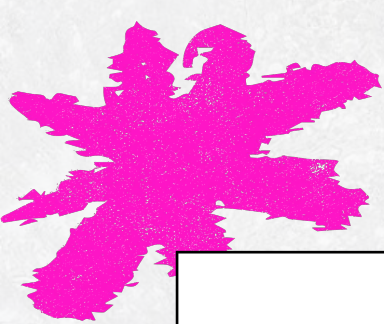

1

Student Graduation Requirement Profile (Credit Check)

Your Life teacher will provide you with your credit check to use as a resource as you make your course selections.

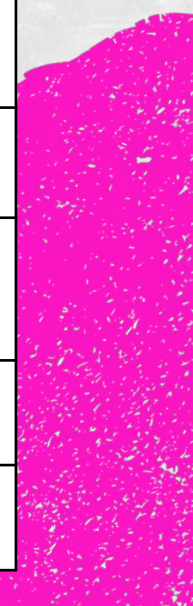

How do I use my “credit check?” (or transcript)

1. Review Graduation Requirements (see next slide)
2. Use **credit summary** located on credit check to see the subject areas you still need to complete
3. Your transcript also has a credit summary

Graduation Requirements

Department	Required Credits	Scheduling Requirements
English Language Arts	4.0	• 1.0 credit each in grades 9, 10, 11, & 12
Mathematics	3.0	• 3.0 credits any grades, 9-12
Science	3.0	• 1.0 credit Life Science • 1.0 credit Physical Science • 1.0 credit Science Selective
Social Studies	3.0	• 1.0 credit in World History • 1.0 credit in U.S. History • 0.5 credit in Civics/Government • 0.5 credit in Economics
Health and Physical Education	2.0	• 1.0 credit in Health • 1.0 credit in Physical Education
Career and Technical Education, the Arts or World Language	3.0	• 3.0 credits any grades, 9-12
Personal Growth and Development	1.0	• Completed in Life 101 and 102.
Personal Finance	0.5	• Completed in Life 103 and 104.
Career/College Planning	0.5	• Completed in Life 103 and 104.
Electives	7.0	• 7.0 credits any grades, 9-12
	27.0	TOTAL CREDITS TO GRADUATE

Before you make your course selections for next year, you will want to review the credits you have earned and what is still required.

Look for:

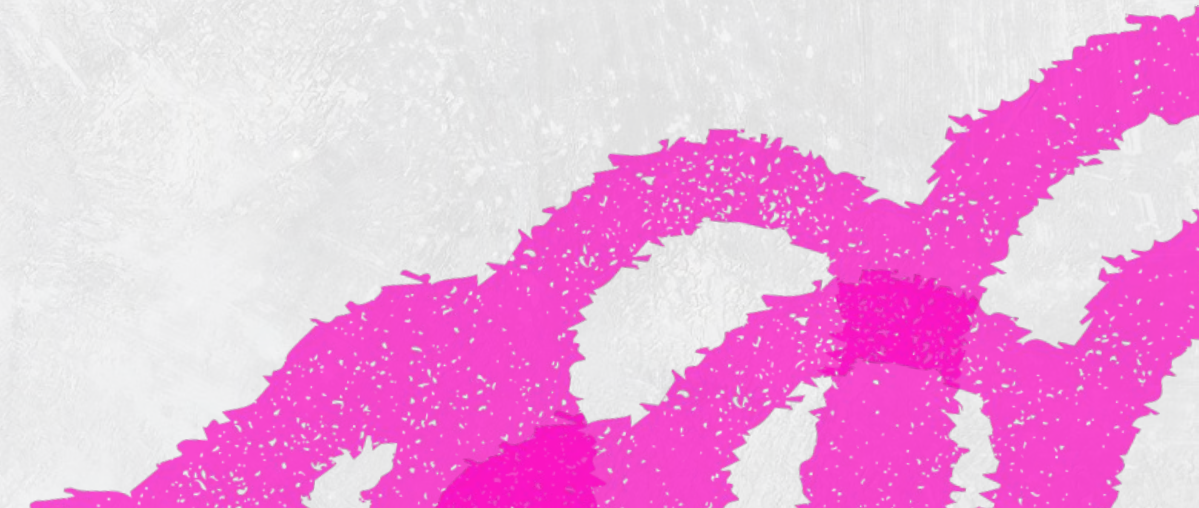

- Any credits listed in the “completed” column for classes with a Pass or D. WLHS accepts P/Ds for grad requirements, colleges do not.

Consider:

- Requirements that are beyond WLHS graduation requirements, such as attending a UC or CSU

Plan:

- Think about CTE program requirements and alternate class choices.

Most universities will not accept grades lower than a “C” in required academic courses. Most often, “Passes” are not viewed as eligible grades for universities.

Student with a “D” or lower in these courses will be required to make up the credit before applying to universities.

See your counselor about credit recovery options as soon as possible if you haven’t already made a plan.

“D” Rule (and Passes)

Language Arts

Students must complete 4.0 credits of Language Arts to graduate

Lang. Arts 12 (F) & (S) = 1.0

AP English Literature Composition (F) & (S) = 1.0

Mathematics

Students must complete 3.0 credits of Mathematics to graduate.

Math placement is determined by current math level and performance and preloaded onto your schedule

Completion of Algebra 2 is highly recommended for university admissions

4.0 credits of Math is recommended for most 4-year University options

Science

Students must complete 3.0 credits of Science to graduate.

1.0 credit must be Life Science (e.g. Biology)

1.0 credit must be Physical Science (e.g. Chemistry)

1.0 credit Science selective

4 year Universities like to see a Science class all 4 years

Social Studies

Students must complete 3.0 credits of Social Studies to graduate.

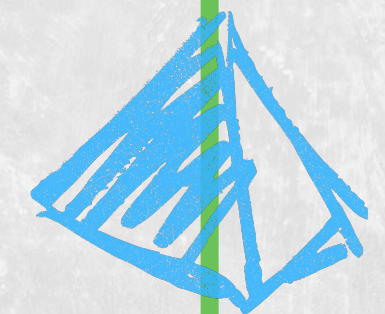

1.0 World History

1.0 US History

0.5 Civics & 0.5 Economics

Health/PE

*Students must complete
1.0 Health/1.0 PE credits*

1.0 credit PE

1.0 credit Health (Health
1 and Health 2)

CTE/Art/World Language

*Students must complete 3.0
credits from these subjects
areas to graduate.*

World Language

Visual or Performing Arts

Career & Technical Education

World Language

For four-year university admissions, students must complete:

Two years of a world language

OR

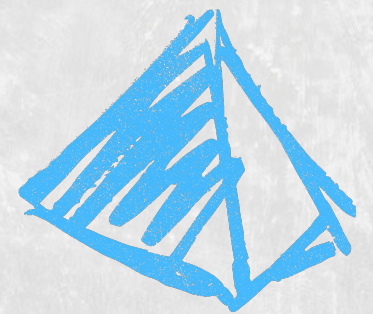

Complete level 2 of a world language

Must earn a C or higher

Some schools require 3+ years

West Linn High School

Computer Programming

+

Learn how to code and make apps and video games.

Digital Arts

+

Use the computer to make art! Create fun graphics, photos, and animations.

Engineering technology

+, ++

Design, build, and explore using the engineering process and machinery.

Environmental Science

+

Get outside and learn about our environment and ways to protect it.

Journalism

+

Flex your content creation skills by crafting online and print publications.

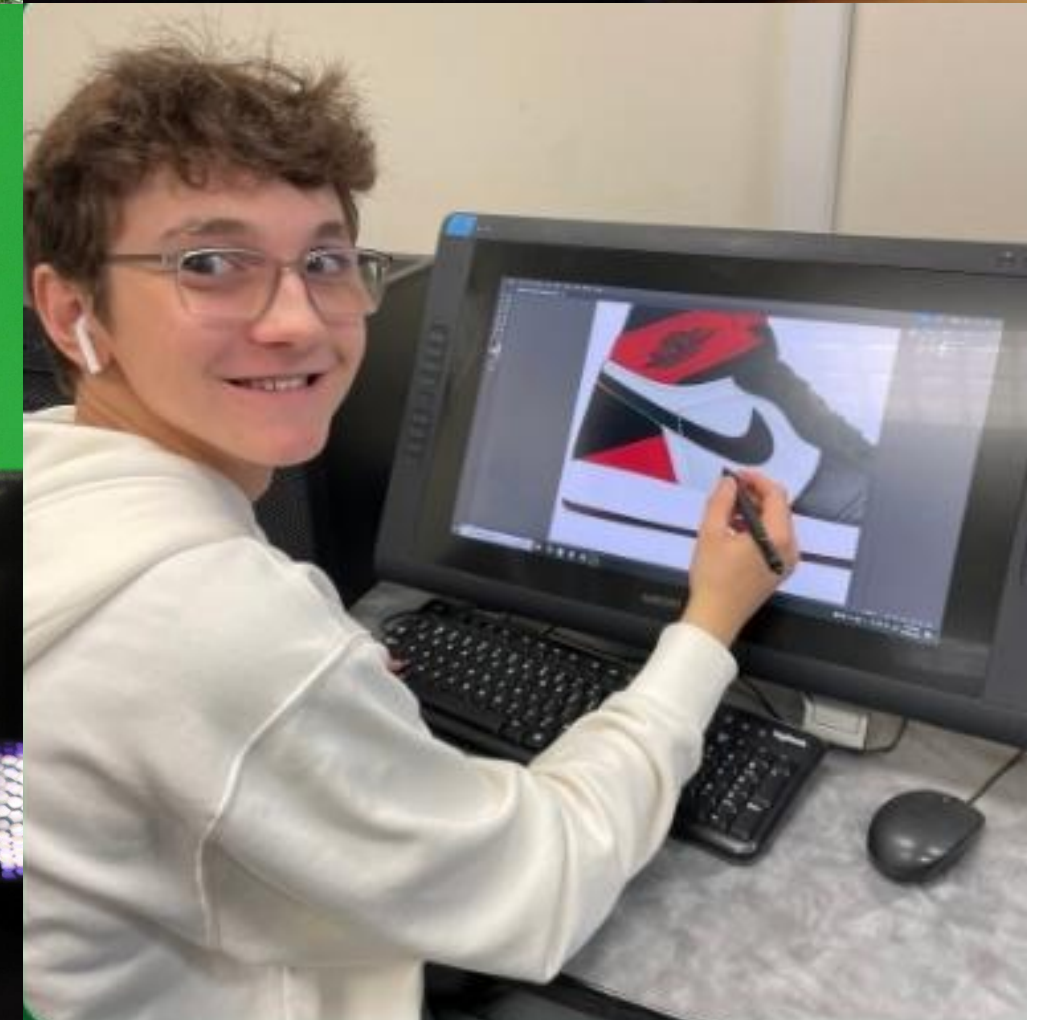

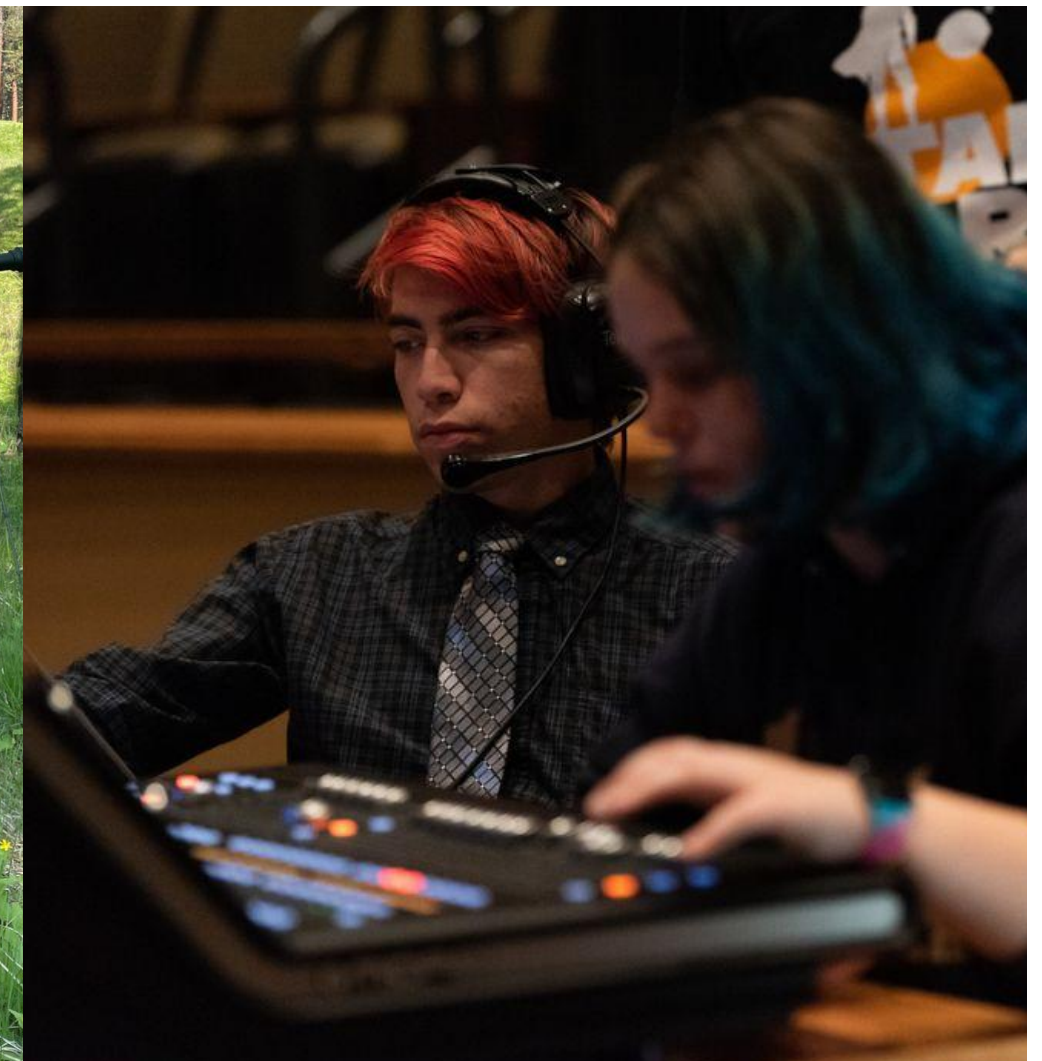

Technical Theatre

Take action and learn about lights, sound, and film production.

+ dual credit or AP credit available

++ earn a pre-apprenticeship certificate

Updates regarding next year:

- Teacher Aides:
 - We will not be scheduling for Teacher Aide positions. Please do not request.
- New classes available next year:
 - Exercise Science
 - AP African American Studies
 - AP Cybersecurity
 - Japanese Culture
 - AP Art History
 - EP Basketball

Updates regarding next year:

Classes that got a makeover!

- Life Sports vs Court Sports
- Film Production/Adv Theatre Production/Peer Mentor

Honors Law changes:

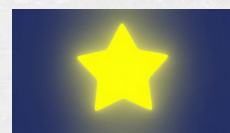

No longer count as a Civics credit

- Honors Law A = Trial Advocacy Law
- Honors Law B = Constitutional Law
- Advanced Honors Law = Applied Law*

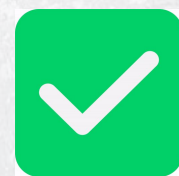

California Public University

Art Requirement

For all UC and CSU schools, students must complete:

One year (total of 2 semesters) of Fine
OR Performing Arts in the same sequence

Example: Art 1-2 (F) + Art 1-2 (S)

Example: Art 1-2 (F) + Photo 1-2 (S)

Advanced Placement (A.P.)

- * Advanced Placement courses are:
 - College level courses
 - Graded on a weighted scale
 - An "A" = 5.0, "B" = 4.0, "C" = 3.0, "D" = 1.0, "F" = 0.0
- * Request A.P. classes that you will stay in for the entire school year. You cannot drop AP Courses.
- * Some courses may require summer work
- * WLHS advises students take a limited number of AP courses each year. (3 or fewer in 12th grade)

Advanced College Credit (ACC)

Advanced College Credit:

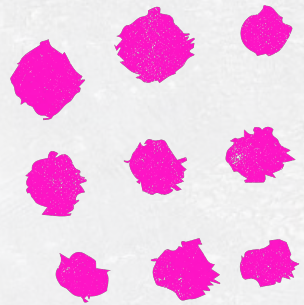

A partnership between WLHS and Clackamas Community College, Portland Community College, Portland State University, or Oregon Tech offering college credit for students.

Please review the Academic Program Guide for more information

ATHLETES!

- ① Must have taken AND passed 5 courses in the previous semester, plus the Life class. (it's a credit thing) (attention spring sport athletes!)
- ① Must be currently enrolled in AND passing at least 5 classes, plus Life class in the current semester
- ① Athletes who aspire to participate at the collegiate level should join the [NCAA Eligibility Center](#) as early as possible and make sure to check academic requirements for eligibility for NCAA prior to scheduling

Next Steps in Life Class
