STRATEGIC Kids®

At Twin City Elementary

In this fun Origami program, students learn how planes fly, Newton's three laws of motion, and make paper airplanes that broke the Guinness Book of Records for the longest and farthest flight! They will also learn to fly a tumble wing, board glider, and hand glider (depending on skill level) and earn badges as they progress in their skill!

Origami teaches

- Physics Concepts
 - Structure
- Cognitive Skills
- Trial and Error
- Concentration
- Fractions
