Cardinals to Dragons

Minnesota State Moorhead and Alexandria Area High School have partnered to offer exclusive benefits to 2026 Alexandria graduates through the Regional Scholars Program, including housing stipends, professional development grants, and scholarship opportunities. This is an exciting continuing education option for our seniors.

After completing four days of onboarding, 20 new certified staff members are ready for the school year. They'll continue to be supported throughout the year by the New Teacher Induction Program, which provides ongoing professional development and peer support to help them succeed in their new roles at Alexandria Public Schools.

A new initiative for high school students, the Heavy Equipment Operations & Management course, offers students a head start in a high-demand field. With support from industry partners, this course provides the fundamentals of operating and maintaining heavy equipment used in construction, agriculture, and industrial environments, giving students valuable hands-on experience.

2024-25 Points of Pride

- 48 Alexandria Area High School graduates and current students have been named 2025 AP Scholars based on their performance on Advanced Placement (AP) exams.
- 80 professional certifications obtained by Alexandria Area High School students.
- 36 students obtained their CNA (Certified Nurse Assistant) certification through AAHS coursework.
- 28 CAPS Healthcare students received their CPR/First Aid certification.
- 9 students in the high school Emergency Medical Responder course were successfully certified as EMR's.
- 7 students earned ServSafe certifications.
- 172 Honor Graduates in the Class of 2025. Honor Graduates maintain a cumulative GPA of 3.33+ all four years of high school.
- 102 National Honor Society graduates.
- 286 8th grade students volunteered for community service projects during the Annual Day of Caring.

Doing more with less

Voter-approved Capital Project Levy (dollars per student, 2024-25)

Alexandria School District 206 taxpayers are getting a good value for their dollars. The chart above shows that we are one of the only school districts in the area that has no voter-approved capital projects levy. These levies are how local communities provide important funding for their schools to support security, technology, and facility needs.
