*Social Studies credits can be earned through alternative classes. Check the Program Guide for more information. Some courses may be taken in a different sequence than indicated; the above is a generalized suggestion.

- CAWL credits are in the categories of CTE, Visual or Performing Arts, and World Language. Most 4 year universities require completion of level 2 or beyond of a World Language for admissions.
- Extra electives indicate possible courses students can take beyond the minimum graduation requirements.
- Math class offerings and sequence are available for review in the Academic Program Guide online.
- WLHS advises a limited number of AP courses per year as a means of ensuring students are able to balance all of their activities in and out of school.
- WLHS recommends students take a math and a science class in the 12th grade
