

Parent and Family Engagement Policy

Triad Math and Science Academy

Our Values

At Triad Math and Science Academy, we believe that education thrives when families, schools, and communities work together. We are committed to building a culture where families are valued as partners and where every child is supported not only academically but also socially and emotionally.

Engagement Commitments

1. **Annual Title-I Meeting**
 - We will hold an annual meeting to share details about Title-I funding, family rights, and how engagement and academic supports are designed at TMSA Triad.
2. **Flexible and Accessible Opportunities**
 - Engagement opportunities will be offered at varied times, in person and virtually, to ensure all families have access.
 - Home visits and small group meetings will be used as needed to strengthen family-school partnerships.
3. **Family Voice in School Planning**
 - Families will actively participate in the development, review, and improvement of Title I programs, including the use of engagement funds.
 - Parent feedback will guide continuous improvement in instruction and family support.
4. **Information Sharing**
 - Families will receive timely communication on:
 - Curriculum and instructional strategies used at TMSA Triad
 - Student progress and assessments
 - Academic standards and expectations
5. **Family Learning and Support Workshops**
 - To strengthen family-school partnerships, TMSA Triad will provide:
 - Literacy and math nights to build home-learning strategies
 - Sessions on supporting student wellness and social-emotional growth
 - Technology training to help families support students in the digital world

6. Community Connections

- We will work with local organizations and community partners to expand resources and opportunities for families and students.
- Families will be invited to engage in community service projects and mentoring opportunities that connect learning to real-life experiences.

7. Equity and Inclusion

- All families will have equitable access to school information, translated as needed, and delivered in clear, family-friendly formats.
- Outreach will intentionally include families who face barriers due to language, disability, or economic challenges.

8. Professional Development for Staff

- Educators and staff will receive training on effective family engagement strategies, cultural awareness, and strengthening collaboration with families.

9. Annual Review and Continuous Growth

- Families will be invited annually to review this policy and share input on how to improve engagement.
- Feedback will be used to develop new strategies and measure the impact of parent and family involvement.

Our Commitment

At TMSA Triad, we recognize that families are partners in every child's success. By combining strong academic instruction with meaningful family engagement and community collaboration, we aim to prepare our students for lifelong achievement and leadership.
